Mental Health & Addictions Counsellor - Zu?mintéx™ Wellness Team

Scw'exmx Community Health Services Society - Merritt, BC

Full-Time

ABOUT US:

Scw'exmx Community Health Services Society is located in Merritt, BC, and provides comprehensive and multi-disciplinary health services to three Nlaka'pamux communities. As a Wellness Team, we strive to provide professional mental health and wellness services from a trauma-informed perspective, respecting the dignity of each person through an approach of care and respect.

Our organization is committed to serving the needs of our communities. We ask that all Indigenous applicants self-identify in our recruitment and staffing processes, where preference may be given to qualified Indigenous applicants. We offer a competitive remuneration package that includes benefits and pension.

A resume with a cover letter outlining your ability to meet the requirements of the position is required.
